Self-Publishing

The Espresso Book Machine (EBM) is capable of accepting author work that is in a print ready format. If you have print ready work, we will gladly, on demand, print you as many books as you desire. The only fees that we charge are for the actual printing. Please notice that price is not a function of quantity printed.

Book Rate Schedule

Pages	Cost
40-100	\$.070/page (\$6 minimum)

Environmental Statement

We are proud to use the Espresso Book Machine and the EspressNet. These devices will allow for many books to be passed around the world electronically, reducing carbon emissions. In addition, the paper we have chosen to use in the EBM is certified by the forestry service council and the rainforest alliance as being harvested responsibly without emitting additional carbon into the atmosphere. 93 percent of the electricity used to run the EBM comes from carbon-free generation.
